

PARTIES

**WE CREATE  
YOU  
CELEBRATE**

As a mom of two girls it all started with setting up birthday parties for them at home. Experiencing the joy that it brings to the little ones, my bucket was just overflowing. I enjoyed it so much that I decided to do it on a more regular basis. As from then the passion has just continued to grow over the last 13 years.

I give it all, going out of my way to make each kid's party a special and joyful occasion. We help to create cherished moments and wonderful memories which can be treasured by families forever!
